

# CERTIFICATE OF Chain Letter Nullification

Emitte lucem et veritatem  
SEND FORTH THY LIGHT AND THY TRUTH

*There are times when the forces of Fear, Uncertainty, and Doubt conspire to coerce Good People to aid the propagation of Certain Letters of Ambiguous Benefit or Misfortune. Such Letters are conceived to Frighten people into serving the Ego of a Master Jerk. We can not, as free men and women, allow such Threats to Bind our Happiness.*

*By signing and dating this certificate, you declare that you are a Creator of Positive Energies. Together, we break the Tyranny of the Chain.  
We declare that we are defined by our Actions, not by our Fears.*
